Gothisches Haus

Wernigerode / Harz

Your holiday destination

The Harz Mountains offer an ideal combination of nature and culture. Germany's most northerly highland region is an attractive spot at any time of year with its marvellous scenery and romantic fortresses and castles. Probably the most picturesque castle is the one in Wernigerode. This historic, colourful half-timbered town lies at the foot of the Harz range – the perfect place from which to explore the region and Mount Brocken by narrow-gauge railway or on extended hikes and cycling tours.

The hotel

Longstanding tradition meets all mod cons. As one of Wernigerode's most beautiful and historically significant buildings our

first-class-superior hotel is right on the market square – behind its half-timbered façade there's a blend of centuries-old tradition with a warm, bright atmosphere and historic details plus a stylish interior – you'll enjoy relaxed comfort and every modern convenience in spacious surroundings. The accommodation comprises 116 individually designed, partly historic exclusive rooms and suites.

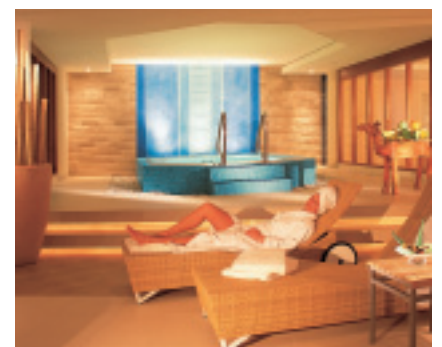

Culinary delights

Gourmets and foodies are triply welcome – at "Die Stuben" Restaurant for breakfast and fine dining with a view of the market square, at the "Bohlenstube" for exquisite gastronomic creations acclaimed in numerous gourmet guides and the "Winkeller 1360", which includes a unique vault and an extensive wine list. You can savour

these culinary highlights with a digestif in the bar and in front of the fireplace in the lobby; enjoy your meals on the sun deck in the summer too. Half board includes the full buffet breakfast with a variety of four-course menus in the evening.

PURIA Classic Spa

Indulge yourself and relax at the spacious PURIA Classic Spa with its hot tub, varied sauna area and fitness room. Whether you're on a short break or a long spa weekend, our beauty treatments, body treatments such as massages and baths plus some special extras will have a profound effect on your wellbeing. Try a fragrant hay pack, for example, or a visit to the Sabia-Med Baltic Beach for UV irradiation, which boosts your immune system for summer and winter hiking.

Culture and indulgence

Good food that melts in your mouth – that's what the flavour of a really good holiday should be. So why not get to know some culinary and regional specialities – treat yourself to some great entertainment, good company and discover new gourmet experiences in the process.

- Regular themed culinary events: e.g. whodunit dinner, Mafia dinner, etc.
- Kitchen parties with the chef and menu served at the kitchen table
- Supervised wine-tasting at the "Winkeller 1360"
- Sunday soirees – the Wernigerode Philharmonic Chamber Orchestra in attendance
