TRAVEL CHARME

Nordperd & Villen
Göhren / Rügen

Your holiday destination

The island of Ruegen's distinctive feature is its unique natural diversity, which you won't find anywhere else in such an intense and pristine form as in the south east on the Moenchgut peninsula with its beech wood forests, steep cliffs and beaches that range from fine sand to rugged and unspoilt. Plus, Goehren itself is far more than a traditional seaside town – unlike some other Baltic resorts, the panoramic view from here is quite extraordinary.

The hotel

A wonderful holiday with views far and wide across land and sea. On a hill in the middle of a nature reserve lies our quiet, idyllic 4-star resort offering plenty of space for your individual needs – in the main building

and the three picturesque villas of Lo, Brunhilde and Sonja as well as the beautiful landscaped gardens that provide so many opportunities to get away from it all. Here you'll find your own relaxing holiday retreat, as a romantic getaway for two or for a convivial group of friends. The accommodation comprises 54 rooms and suites in the main building plus 38 rooms and four studios in the villas, almost all with balcony or terrace.

Culinary delights

The most wonderful views – in culinary terms too – range from the varied buffet breakfast to a tea ceremony in the tea lounge to evening buffets and à-la-carte dining in the Flora Restaurant with the winter garden and sundeck. One highlight is the gourmet groups who cook and sample good food together. The lobby bar is a great place for live music and a wide range of selected

drinks. Half board includes the full buffet breakfast with varied buffets or four-course menus in the evening.

PURIA Classic Spa

One thing is certain – the focus of attention at the PURIA Classic Spa is the indoor pool flooded with light and its huge panoramic plate-glass window looking out over the sea. The outer terraces in the landscaped gardens with sunbeds and wicker beach chairs, the sauna area and the range of body and beauty treatments such as a Ruegen medicinal chalk sallow thorn pack show it's possible to make your relaxation even more relaxing here. And active holidaymakers will warmly recall their free courses in aquafitness and Nordic walking for some time to come.
