Ostseehotel

Kühlungsborn / Ostsee

Your holiday destination

Mecklenburg's Baltic coast scenery is unique – with unspoilt beech wood forests, the wide blue sea and white sandy beaches. With its 6 km long esplanade and numerous holiday activities for cyclists and hikers as well as excursion options directly from the pier or by narrow-gauge railway, the Baltic resort of Kühlungsborn and its three separate districts offer plenty of all year round variety – from shopping to art exhibitions to its green municipal forest.

The hotel

Holiday accommodation right opposite the pier – the 4-star-superior hotel faces the beach and with its open style of architecture it literally captures the unique Baltic light, which matches its fresh colours beauti-

fully. Constructed in last turn of the century style, the building lets you know you're on holiday immediately – it's elegant and comfortable, cordial and informal with contemporary service. The accommodation comprises 110 superior furnished rooms and suites, all with balcony or terrace; the entire hotel is non-smoking.

Culinary delights

With a view of the sea, you'll not only enjoy the varied buffet breakfast and the excellent set evening menus at the Papageno Restaurant but the tempting sweets served on the Baltic terrace and the fine selection of beverages in the Rondo Lobby Bar with its winter garden. The Pool Bar set among the landscaped gardens is also an appealing spot in warm weather. Half board includes the full buffet breakfast, and a salad, starter and dessert buffet with live cooking in the

evening. Soup and a main course of your choice are served with a PURIA healthy dish as an alternative.

PURIA Superior Spa

Simply more recreation at any time of the year – that's not the only thing the pools heated all year round provide with an indoor, outdoor and whirlpool. A variety of treatments and rituals make you forget time and space, along with an attractive range of different courses and activities, including Yoga, Qigong and Nordic walking. Plus, you can exercise even more in the fitness area. Afterwards you can relax in the spacious sauna area or with one of our excellent beauty treatments – even in the private suite for massages and baths for two if you wish.

Golf with great Baltic views

From rank amateurs to masters, golfers of all abilities get their money's worth here. The 18-hole championship course at the Baltic Golf Resort at Wittenbeck is a real eldorado for golfing enthusiasts – only 4 km from the hotel and in a beautiful spot between the Baltic resorts of Kuehlungsborn and Heiligendamm, it has a 72-par championship course and a 9-hole compact course. The 18-hole Hohen Wieschendorf and Warnemuende courses are also close by.
