Strandhotel

Bansin / Usedom

Your holiday destination

The sunny island of Usedom is a marvellous place for swimming, sunshine and lots more besides. Over 40km of fine sandy beaches and plenty of tourist attractions provide lots of seaside fun and activity for the whole family. There's also lots to discover in and around the seaside and imperial era resort (Kaiserbad) of Bansin, whose colourful holiday style is set in beautiful natural surroundings. Popular excursion destinations, such as Bansin's tropical hothouse, as well as the local beech wood forests and picturesque countryside are all year round attractions.

The hotel

A dream holiday with more for your family.

The 4-star-superior hotel is situated only a few steps from the beach and right on the

promenade of the three imperial era resorts – a view you'll enjoy from the first moment you set eyes on it. It's not only due to its outstanding location, the two penthouse suites with roof deck and the delightfully furnished rooms; it's also an ideal spot for families, who simply want to spend time together without a care in the world. The accommodation comprises 100 friendly and comfortable rooms, family rooms and suites, and almost all have a balcony or terrace.

Culinary delights

Food that families love – for grown-ups there's the view of the Baltic as you enjoy the breakfast buffet show cooking and set menus at the Gabbiano Restaurant in the evenings while the youngsters join their pals at Capt'n Sharky children's restaurant – or come altogether if you prefer. The Panorama terrace is a year round attraction with its

Barbecue Grill, plus the Café & Bar Patio has some tempting sweet and savoury items in the afternoon and an evening entertainment programme that provides hours of fun and giggles. Half board includes the full buffet breakfast and set menu in the evening alternating between buffet choices and a served main course.

PURIA Superior Spa

You can relax in complete privacy at the PURIA Superior Spa – at the large indoor pool, in the landscaped gardens and with panoramic views of the Baltic. There are also lots of tempting massages and treatments plus premium beauty programmes or the modern sauna area. "Family Time" makes the spa a real experience for the whole family, plus you can be active in the fitness room and with the numerous courses provided.
