Ostseehotel

Kühlungsborn / Ostsee

Your destination

Mecklenburg's Baltic coast scenery is unique – with unspoilt beech wood forests, the wide blue sea and white sandy beaches. With its 6km long esplanade and numerous holiday activities for cyclists and hikers as well as excursion options directly from the pier or by narrow-gauge railway, the Baltic resort of Kuehlungsborn and its three separate districts offer plenty of all year round variety – from shopping to art exhibitions to its green municipal forest.

The hotel

A holiday property directly opposite the pier – the four-star superior hotel has the beach at its front door and with its open style of architecture it positively captures the unique Baltic light. A large part of the

hotel was renovated in 2010. This is where you feel you're on holiday straightaway – with stylish comfort, relaxed cordiality and contemporary service. The accommodation comprises 110 superior furnished rooms and suites, all with balcony or deck; the entire hotel is non-smoking.

Culinary delights

With a view of the sea, you enjoy not only the wide-ranging breakfast buffet and the superb evening meals at the Papageno Restaurant with the new GodeStuv section – but also the tempting sweets on the Baltic deck and the selection of drinks in the Rondo lobby bar with its conservatory. The pool bar in the landscaped gardens is also an appealing spot in warmer weather. **Half-board** includes a substantial buffet breakfast, and salad, starter and dessert

buffet with live cooking in the evening. Soup and a main course of your choice are served, with a PURIA healthy meal as an alternative.

PURIA Superior Spa

Simply more recreation at any time of year – that is provided by the pools, including an indoor and outdoor pool and whirlpool, heated all year round and other amenities. Various treatments and rituals make you forget time and space, along with an attractive range of courses and activities, including yoga, Qigong and our new exercise and nutrition programmes. Plus, you can exercise even more in the fitness area and the new auditorium. Afterwards, you can relax in the spacious sauna area or with one of our premium beauty treatments – even in the luxurious private suite for two if you wish.

Golf with impressive Baltic views

From rank amateurs to masters, golfers of all abilities get their money's worth here. The 18-hole championship course at the Baltic Golf Resort at Wittenbeck is a real eldorado for golfing enthusiasts – only 4 km from the hotel and in a beautiful spot between the Baltic resorts of Kuehlungsborn and Heiligendamm, it has a 72-par championship course and a 9-hole compact course. The 18-hole Hohen Wieschendorf and Warnemuende courses are also close by.
