Our rates and special offers

Dear guests,

The price list shows you the individual "from ... to ..." variants of our room and suite rates in the Travel Charme Fürstenhaus Am Achensee. Why do the rates vary and why can we not always offer the most favourable prices?

Our hotel is known for its special individuality. This also applies to our rooms and suites. You will, for instance, pay different prices for rooms of different sizes and with different views. Apart from this, prices can be different on week days, compared to the weekends; school holidays, public holidays and the different seasons also influence the demand for rooms in our hotel – and thus also determine the composition of the final room rates.

You can, at any time, find out the current rates of the day through **"Rates & Reservation" (booking enquiry)** on our website, or you can ask our customer service staff or the hotel direct. We will be pleased to advise you.

Not only do these current prices specify the final price for your overnight stay but also for complete packages and our special offers.

Our tip: With our special offers you can plan and extend your holiday even more individually. The special offers at fixed prices are easily bookable together with your overnight booking.

Should you have any other questions concerning our price system, please do not hesitate to call us or send us an email.

We would like to introduce: our suppliers

A part of Tyrol greets you even at breakfast: for our dairy products, our partner, 'Gourmetsennerei Bergbauer' (gourmet Alpine dairy Bergbauer), uses milk exclusively from Tyrolean Alpine farmers. **Our tip:** In Tyrol there are more than 1,440 traditional mountain pastures which cater for guests, more than twenty alone in the immediate vicinity of the Fürstenhaus. It is always worth hiking up to one of them, and with a bit of luck you might meet the cow whose healthy milk has been transformed into your breakfast yoghurt.

Here are some other examples of who supports our 'delight concept':

- **Fresh fish from the Achensee** is delivered by Tony, the fisherman
- **Meat, sausages and cold meats** as well as pure Tyrolean specialties such as bacon or air-dried meat is supplied by HANDL TYROL – certified by a quality seal
- **Natural supplies and traditional recipes only** guarantee the quality of bakery products which we get from our baker's, 'Bäckerei Adler'
