

A place to switch off and relax.

Rest and exercise – two sources of sustainable recreation. With the elemental forces of the mountains, the PURIA Premium Spa opens your way to deep relaxation and complete harmony. Whether you swim towards the summits in the 20 metre long outdoor pool heated all year round, float away on the “Cloud9” high-tech lounger or discover the magic of scents in the sauna area with panorama sauna – the focus is on your time out.

Expert hands nurture and pamper you with select Alpine products, activity programmes awaken new energies, the pleasant calmness and peace in the fireside lounge allows time to pass gently – recreation that lasts.

We wish you a relaxing stay.

Our exclusive: Cloud 9 true to its name

Gentle consistent pendular movement in the base, subtly lit seat
shells with fluid colour changes across the entire celestial spectrum
and polyphonic atmospheric sounds specifically in superb audio
quality, especially created for this lounge, convey a feeling of ease,
deep calm and wonderful well-being.

Cloud 9 approx. 25 min **€30.00**

Go walking on clouds: Gravity, where are you? Immerse yourself in
boundless relaxation. You feel as light as a feather, floating on the
breeze.

Massage & floating lounge approx. 80 min **€98.00**

Between heaven and earth: floating can be so wonderful! This well-
being massage stimulates your entire organism. The multisensoric
Cloud9 lounge intensifies the bodily perceptions. An especially
intensive treat for the senses.

EXFOLIATIONS, PACKS, RASUL

Body pack DETOX approx. 25 min. **€50.00**

The highly effective ingredients viniferine, caffeine and hyaluron
ensure a visible increase in blood flow to the skin. They also
strengthen the connective tissue, stimulate lymph flow, and have
a decongesting and detoxifying effect.

Goat butter cream pack approx. 25 min. **€50.00**

This premium cream pack with jojoba oil, aloe vera and panthenol
is particularly moisturising and promotes the skin's ability to
regenerate.

Grape seed salt exfoliation approx. 25 min **€40.00**

Nature provides the softness: Grape seeds, salt and cold-pressed
grape seed oil provide a mildly cleansing, gently moisturising
exfoliation. Beautiful! And well cared for.

Oriental Rasul for two approx. 50 min **€75.00**

Natural muds from around the world enriched with minerals
thoroughly exfoliate and moisturise the skin. The steam has a
positive effect on your skin as well as your respiratory and
immune systems. The result: skin as smooth and velvet as silk!
As if you had been touched by the magic of 1001 nights ...

PURIA tip: Combine your pack or your exfoliation with a massage in order to intensify the effect.
