The pinnacle of relaxation.

Immerse yourself into the fascinating mountain scenery and swim away from the constraints of everyday life. Deeply rooted in the Kleinwalsertal, the focus here is on the essentials – thus we provide our guests with relaxation, deep satisfaction and inner calm.

2,300 m² of PURIA Premium Spa invite you to sustainable recreation: while floating weightlessly in the salt-water sound space, far away from any hectic. Enjoy calmness and peace – on water beds, in swing chairs, four-poster beds – surrounded by pleasant shapes, sounds and colours. Doing laps in the large indoor pool, being pampered in one of the 15 treatment rooms or swimming at an altitude of 1,111 metres with a stunning view over the Alpine peaks. This is the pinnacle of recreation at any time of the year and in any weather.

We wish you a relaxing and revitalising stay.
