WHAT EXACTLY IS ...

EDAMAME?	Japanese word for beans on a branch
PUMPKIN SEED SHOYU?	Pumpkin seed press cake is used instead of soybeans
TOBIKO?	Roe of the flying fish
SAKURA ZUKE?	Pickled radish with sugar
FUTO MAKI?	The algae leaf (nori) is on the outside and the rolls are larger
URA MAKI?	The algae leaf (nori) is inside and the rolls are smaller
SRIRACHA?	Hot Chilli Sauce

Dear guests, the fresh preparation of our dishes is very important to us. Please understand if our sushi is no longer available. Thank you very much!
